MEMORANDUM FOR: Counterintelligence Staff
Diplomatic Security Service
U.S. Department of State

SUBJECT: Draft Non-Fraternization/Contact Reporting
Policy

REFERENCE: Memorandum for OSPG from Chairman, OSPG, dtd
19 Aug 87, Subject: Non-Fraternization/Contact
Reporting Policy-Revised Draft

1. The draft policy statement is a fairly comprehensive effort to organize the community's procedures for reporting sensitive foreign associations and controlling the fraternization issue. The Agency policy is somewhat more stringent in that we require the reporting of all personal contacts by employees with bloc/criteria country nationals and all continuing associations with foreign nationals from all other countries and representatives from certain international organizations. Certainly, the thrust of the draft policy is consistent with the goals of our own procedures. We likewise require our employees to come forward with information related to possible intelligence approaches.

2. The Office of Security will share the final draft of the OSPG policy statement on this issue with our External Activities Branch, the internal component responsible for the administration of our program.
